Experiential Environments

Stage Sets

Meetinghouse will transform any space from ordinary to spectacular with our fantastic selection of event furnishings, stage sets, scenery and décor. Our design center is filled with lighting, fabric, design elements and a floral design studio to create the perfect environment for your special event.

An open invitation is always extended for you to tour our 32,000 square foot design center to provide you with décor ideas for your next event. Our Meetinghouse representative would be happy to set that appointment.
